Pandemic Flu Task Force Wraps Up Its Work with Recommendations for the Governor

What: The Governor's Task Force for Pandemic Influenza Preparation will hold its sixth and final meeting to discuss pandemic preparedness issues and establish recommendations for the Governor. Task force members will address and approve minor changes to eight issue papers and prioritize over 40 recommendations.

Why: The need for public input into the pandemic influenza response plan is essential because of the social and economic consequences, as well as the health impact. Task force members have addressed various issues, and will make recommendations to the Governor on how public health, working in partnership with the community, can best respond to community needs.

When: Thursday, February 8, 2007, 7:30 a.m. – 10:30 a.m.

Where: Salt Lake City Marriott University Park
Conference Room: Ballroom 1
480 Wakara Way, Salt Lake City, Utah
581-1000

At 10:15 a.m., Lieutenant Governor Gary Herbert will make closing remarks.
